

Dear Ministry Partner,

It is always a great joy to commend someone who would be a blessing to the Body of Christ! I have been a traveling evangelist for 24 years. During that time, I have heard a lot of singers and gospel groups. When I hear a group that is the "real deal," it is exciting to me.

That is why I appreciate the ministry of Calvary's Voice. It is my joy and blessing to be able to recommend their ministry to you. First of all, it is a ministry. These three gifted brothers have the desire to see Christ exalted, souls evangelized, and the church edified. That is so refreshing in this day.

As I stated, every voice in Calvary's Voice is vocally gifted. But as you listen to them sing, it is obvious that all of the glory is pointed toward the greatest gift, God's precious Son. When any singer or preacher recognizes where the gift comes from, and seeks to honor the One who gave the gift, it is a rare combination. That is why God's anointing is on Calvary's Voice.

It has been my privilege to work with them, and also use them as a featured group at our PowerLife Conferences. You will be blessed to have them at your church, revival, concert, or conference. Without reservation, I wholeheartedly recommend the ministry of Calvary's Voice.
